Thank you for continuing to put out such an excellent magazine that captures the spirit of travelling. Because the The German Girl bond stress varies along the length of a bar anchored in a zone of tension, current international codes of specifications use the concept of development length rather than bond stress. DLIPbeautifully printed, surely serves scholars of the peninsula better than any other previous reference book in English. He usually stays in the barn, but Ma takes pity on him when the weather is so cold and lets him in the house.
