What gives these criticisms added bite is that they are being  
made by Japanese as well as Americans. From you loving me, I  
reciprocate. The day has gone by when masses of men can be  
outlawed, and driven from society to the wilderness,  
unprotected.

So shocking that they'd remove a post about a book written  
about. Safe to watch If you have watched these and more anime,  
chances are you already know how different they are from your  
American staple animation. Its hallmark is that there will be  
signs of cancer in another organ. Jetzt reicht's.
