Having standard operating procedures is also key to getting to operational excellence but something that, again, can mean a cultural change for the business if used within the lean approach, Alan says. Concerned that other Greek states might intervene, Alexander made it look as though he was preparing to attack Illyria instead.

## **ANDREW MURRAY Daily Readings Devotional**

If someone criticises you causing you to lose your feeling of happiness, then that feeling was part of your changing external world, but if the happiness remains no matter what anyone says or does, then you know it comes from the core of your internal world and it is eternal. Or, is human life a special creation of an all-powerful God.
