The anti-capitalist struggle against slavery started long before trade unions existed. Encourage local reviews.

## **French Head Quarters 1915-1918**

The mortality rate in Korea fell to a new low of only two percent, less than half the rate of World War II and far below the nearly 50 percent rate prior to the American Civil War, due in large part to the rapid evacuation of seriously wounded and the immediate availability of helicopter-pro- vided whole blood at forward medical stations. Beautiful colour in a well-designed book.
